U6s to U8s compete in the Mini Girls and Mini Boys Gift (70metres)  
U9s to U12s compete in Junior Girls and Junior Boys Gift (100metres)  
U13s to U17s compete in Senior Girls and Senior Boys Gift (120metres)

**ENTRIES CLOSE SATURDAY 14 NOVEMBER**  
**NO LATE ENTRIES WILL BE ACCEPTED**

- Qualifiers for the semi finals will be determined from positions in the heats run at Wright Park. The number of semi-finalists from each age group will be based on the proportion of heat competitors from the age group. For example, if U7 boys have 10% of the heat runners for the Junior Boys Gift, they will have 10% of the semi-finalists.
- The times that Queanbeyan Little Athletics provides the Gift handicapper will be the season best times for the athletes who qualify for the semi-finals, **NOT** the time they ran in the heats, unless the time in the heats is better than the season best time.
- Athletes must compete in the heats to be eligible for the semi-finals. Finalists will be determined from positions in the semi finals run at Town Park.
- The semi finals and final will be handicapped races, so the quicker athletes will start from behind the other runners.
- If a nominating athlete does not have a time for the heats due to cancellation of the heats, or they haven't run the specific Gift distance (70m for Mini, 100m for all others) previously that season, then they will be deemed ineligible to compete.

Athletes nominating for the heats of the Junior Gifts **MUST** be available for the semi finals and finals if they qualify.
